REGISTRATION & RANKINGS

You may register for the Philadelphia Section PGA Junior Team Matches by:

Completing the registration form that is found at the end of this document and mail to the Philadelphia Section PGA office at:

715 Twining Road ~ Suite 111
Dresher, PA 19025

Please accompany a check or money order that can be made payable to the Philadelphia Section PGA for \$115.

Note: All new teams that register beyond the inaugural season (2009) will be ranked behind all teams based on the prior season's outcome. All new team rankings are based solely on the order of each new team application received in the Philadelphia Section PGA Office. The higher a team is ranked, the better the chances that a team will have of becoming Champions of the Philadelphia Section Junior Team Matches.

FORMAT OF COMPETITION

Each team will have four (4) players playing at the away course and four (4) at the home course. Four (4) players will make up each pairing, two (2) from the home team and two (2) from the away team. The format will be match play and each player shall compete in a singles match against a player from the opposing team while both teammates play a four-ball (better ball) match against the opposing teams' teammates. Each foursome will have 3 separate matches taking place (2 single, 1 four-ball) simultaneously.

TEAM MATCH CAPTAIN'S DUTIES

****It's very important to remember that visiting teams are guests of your club. Any information or accommodations that can be provided or made available will make the Team Matches all that much more enjoyable for all involved.****

TEE TIMES

It is the responsibility of the home team captain to arrange for mutually agreeable tee times for the match with the opposing team captain. Tee times must be scheduled at least one (1) week in advance of the match. Matches must be completed on the day scheduled by the Philadelphia Section PGA. Tee times are to be no earlier than 12:00 p.m. Tee times for each team must be consecutive. Please take into account driving time when arranging tee times. It is the players (teams) responsibility to report to the tee for their appropriate tee time.

Rule 6-3 Time of Starting and Groups

a. Time of Starting

The player must start at the time established by the Committee

PENALTY FOR BREACH OF RULE 6-3: Disqualification

(Best-ball and four-ball play – see Rules 30-3a and 31-2)

Note: The Committee may provide, in the conditions of a competition, that if the player arrives at his starting point, ready to play, within five minutes after his starting time, in the absence of circumstances that warrant waiving the penalty of disqualification as provided in Rule 33-7, the penalty for failure to start on time is loss of the first hole in match play or two strokes at the first hole in stroke play instead of disqualification.

27-HOLE FACILITIES & GREATER

Team captains should communicate to each team the competition course. The host club is responsible in choosing the competition course and has the final decision of course selection due to various factors (weather, course condition, course availability, etc.)

DRESS CODE

Each participating club has different rules on how dress is permitted in various areas at certain times. Be sure to inform the opposing team captain of the club rules before the team arrives.

METHOD OF PAYMENT

Each participating club has different rules on how purchases may be made (i.e. cash only, reciprocal only, etc.). Be sure to communicate your club rules to the opposing team captain. Please keep in mind that not all clubs have a chit system.

FOOD & REFRESHMENTS

Food and beverage may or may not be available at the discretion of the host facility. The team captain should communicate to the opposing team captain what the policy will be for food and beverage.

MODES OF TRANSPORTATION

Walking is mandatory for all Philadelphia Section PGA Junior Team Matches. Pull carts are permitted, golf cars and caddies are prohibited. PLAYOFF AND CHALLENGE MATCHES

- 1) **Playoff** – On Saturday, June 19th at 12:00 p.m. or earlier if mutually agreeable, the winners of all Sections in Division A shall play a match to determine the Philadelphia Section Junior Team Matches Champion. The match shall be played by having two (2) men from each team at each Section's winners home course. The round shall

- consist of 18 holes, individual match play. Two (2) groups will be playing at each course which will consist of four (4) players in each group, one (1) player from each team, shall play a Singles Match against each player in his group. - 2) **Challenge Matches** – There will be eight (8) Sectional winners in Division B. On Saturday, June 19th at 12:00 p.m. or earlier if mutually agreeable, the top four winning team's (by record, then points) in Division B shall challenge the four (4) last-place teams (or fourth-place teams) in Division A, the next four (4) winning teams shall challenge the four (4) higher ranked teams (or third-place teams) to determine the teams which will compete in Division A and B next year. There will be sixteen (16) Sectional winners in Division C. The top eight (8) teams (by record, then points) shall challenge the eight last-place teams (or fourth-place teams) of Division B, the next eight (8) winning teams shall challenge the eight (8) higher ranked teams (or third-place teams) to determine which teams will compete in Division B and C next year. All challenge matches shall be played and scored the same as the regular matches. Any ties in the Challenge will be settled by record in their Section, then by overall points in their regular Section's matches.

Note: Whoever wins their Challenge, the winning team retains their seed if they are the higher ranked team while the losing team retains their seed. If the lower seeded team wins, they take the place of the higher seeded team while the higher seeded team takes the place of the lower seeded team.

- 3) Teams that finish in second (2nd) place in their Section, do not participate in any Playoffs or Challenges

SCHEDULING

- 1) Teams that have won their respective challenge match automatically advance.
- 2) After Challenges and Playoffs, the Section winners stay untouched in their Section, all second (2nd) place teams move one (1) position to the right, all third (3rd) place teams move two (2) positions to the right, all fourth (4th) place teams move three (3) positions to the right. This takes place so teams won't consistently play each other. Please follow the tables below for further information:

- 3) The only time this process is interfered with is when two (2) teams from the same club are slated to play each other.
- 4) **Rainouts** – Postponement of any match due to rain is permissible only when a course is declared unplayable by the Green’s Chairman or Golf Course Superintendent of the club involved. All such postponements must be reported to Brian Schulte immediately at (215) 778-4411. If a course is open for play the match must be played. In the event of a rainout, the makeup must be completed on the following Saturday (or earlier if mutually agreeable). In the event that the teams can’t agree on the makeup date, the team available at 12 p.m. on the Saturday following the rained out match will be declared the winner. If the required makeup interferes with the Playoff or Challenges, the Playoff or Challenge will be postponed one week. **Playoff or Challenges Match.** Any Playoff or Challenge Match postponed due to course closings shall be played at 12 p.m. on the following Saturday or an earlier date, if mutually agreed upon. Complete rainouts of a match can lead to problems rescheduling and difficulty finding available players for clubs that have multiple teams, particularly if the other team’s have played their match that week. Therefore, it is suggested that if one (1) team has their home course open, the match be played at the open club.
- 5) **Course Closings due to Renovations or Regrassing.** It is suggested if possible some rotation of holes be used to allow the matches be played at the course undergoing the work (18 holes must be played, but not necessarily 18 individual holes). If this is not possible, the match must be played at the away club or at a neutral site. The club under construction must request entirely away matches if that is a club’s only option. If the entire match can’t be played away, the club under construction will forfeit the match. If both clubs are closed due to Renovations or Re-grassing, the match may be played at a neutral site. If the match can’t be played at a neutral site, both teams’ will be recorded with a loss.
